## "ONCE UPON A PONY"

### Children's Parties at Nichols Field

We're delighted to host your party at our farm and thought we'd send along a few details.

The children can expect a fun and informative program with one of our kind and gentle ponies, led by Cori Nichols, a rider, trainer, competitor, instructor and equine experiential learning facilitator.

Our first priority is safety, so we begin by showing participants how to behave around ponies and how to read their unique body language.

Together then, we'll groom and tack-up for riding. Each child will be offered a private "mini-lesson" - with instruction tailored to individual skills and ambitions. Families often bring snacks or a craft project to entrain kids who are waiting their turn. A picnic table is available ringside and can be placed inside the arena in the case of rain.

This is a hands-on type of experience, so guests should come dressed for a farm experience (sturdy footwear please!) Helmets will be provided. A signed release form is necessary for each participant. Forms will be available at the farm.

[Click here](#) for a digital release form. PLEASE EMAIL THESE TO [cori.Nichols@aol.com](mailto:cori.Nichols@aol.com) PRIOR TO ARRIVAL.

We have a covered riding arena and indoor barn, so we party rain or shine. (PLEASE, no balloons or umbrellas around the horses . . . most find them terrifying!) This is a carry-in carry-out property so please bring a garbage bag to take your "goodies" home with you.

NFRC is located on 72 bucolic acres at 98 Sherman Rd., Kerhonkson, just minutes west of Minnewaska State Park.

**DIRECTIONS:** From Rt 44/55, turn onto Lower Granite Road (see large billboard on corner.) Make an IMMEDIATE LEFT onto Sherman Rd. This is a narrow road with lots of children, so PLEASE DRIVE SLOWLY! Follow Sherman to its end at the bottom of the hill. Continue past white houses and onto gravel driveway and follow to end at the barns. **Farm speed limit: 10 MPH. :))**

Kindly park on gravel lot only.

Looking forward to it!
